

KSC Enriched Air Nitrox User Agreement

I, _____, understand that use of KSC nitrox tanks is restricted to Enriched Air Members as indicated on the membership rosters and that divers must personally analyze and log all enriched air tanks they use.

Giving Nitrox to someone who is not a KSC enriched air diver or using Nitrox at USAKA without being a KSC enriched air diver will result in a 12-month suspension from all diving at USAKA. Analyzing or logging tanks for another diver or using tanks not personally analyzed and logged will result in a 3-month suspension from all diving at USAKA.

Please follow the rules and have a safe Enriched Air diving experience.
