

Kwajalein Scuba Club, May 2012

--The First Stage--

Equipment Recall Alert!

Miflex High Pressure Scuba Diving Hoses

If you have one of these hoses, stop using it **IMMEDIATELY!** The hoses can rupture, reducing the available air supply to the diver and posing a drowning risk.

If you would like more information, or need to make arrangements to obtain a free replacement hose, go to www.xsscuba.com.

Turtle and diver, by Bob Greene

May Monthly Meeting

We apologize for the change of schedule from the 16th - it was based on the mission schedule, which changed yet again at the last minute. Those of us who have been here on Kwaj for any length of time are old hands at this kind of thing.

The May meeting will be held on Saturday the 19th, at 7pm, at the High School MP Room. This month will be the second chance for you to get your annual Safety Meeting requirement taken care of.

The doors open at 6:30pm for those of you who need to renew your membership for the coming year. The Membership Renewal Form is at the end of this newsletter. Note that it is a shorter form than the standard membership application form. Bring your certification card along with your membership form to the Express Line for faster service.

Also- the May meeting will also have the elections for the KSC officers for the coming membership year.

Candidates for office for the 2012 to 2013 membership year-

Bill Williamson- current KSC President, running for re-election

John Pennington- running for KSC President

Bill Glynn- running for KSC Vice-President

~~~ Safe diving is no accident! [www.diversalertnetwork.org](http://www.diversalertnetwork.org) ~~~

## *Candidates (continued)*

Joy Preston- running for KSC Treasurer

Cindy Cullen- running for KSC Secretary

Come out to the May meeting and show your support for the candidates. As you can see from the listing, the President is the only (so far) contested position in the coming election.

For more information on the various officer positions within KSC, and the responsibilities of each, check out Article IV of the KSC Constitution, at this link-

[http://www.kwajaleinclub.com/forms/ksc\\_constitution.pdf](http://www.kwajaleinclub.com/forms/ksc_constitution.pdf)

## *Kwajalein featured in 'Wreck Diving Magazine'...*

Part 2 of the series by Wreck Diving Magazine on Kwaj diving is now available, and focuses on the *Prinz Eugen*. This is the second of a three-part series. Part 3, which will be out later this year, will focus on the aircraft graveyard near Mellu Island, west of Roi-Namur. Copies of the magazine are available at Bill's Dive Shop and Bike Repair. But supplies are limited, so hurry over and get yours before they are all gone!

If you are on Facebook, do a search for Kwajalein Scuba Club and join us on there today! Club information is often posted to the page, and it's another great way to keep up with KSC activities and stay informed on coming events!

## *Don't forget...*
